RESUME

OBJECTIVE:

I am seeking a position which will utilize the skills and strengths I have developed as a Graphic artist and Web designer in a professional work environment. I have valuable experience working closely with customers to provide support and advice for a variety of purposes as well as taking a project from start to finish. Some of my most valuable attributes are that I learn quickly and adapt and follow instructions well.

EXPERIENCE:

**12/06 - Present - Lake County Board Of County Commissioners - Lake County, Fl.
Graphic Designer**

My current job requires development of brochures, ads, logos, Inter office products, maps and other various materials. I am also required to go to press checks and put bids out to printers.

**7/04 - 7/06 - BoldWater, Inc. - Port Canaveral, Fl.
Senior Designer**

Planned and created visual solutions for marketing purposes. Provided an effective way of getting the message across using a variety of methods. These methods included color, type, illustration, photography, animation, various print and layout techniques. My skills were used to develop overall layout, production design and creativity for the following: magazines, promotional displays, marketing brochures, business cards, banners, packaging, t-shirt logos, boat lettering, stickers, vehicle wraps, signs, ads and web site design. I am able to produce complete corporate identity for any type of business, if given the opportunity.

**10/03 - 7/04 - Fullsail Real World Education - Orlando, Fl.
Lab Specialist**

Managed and taught study groups, lectured classes when necessary, collaborated in the development of curriculum, helped prepare and assign tests, developed internal projects used for class (tutorials, laminates, advanced web design home page), instructed students in day to day assignments.

**5/98 - 9/03 - SunCoast Media GroupPort Charlotte, Fl.
Senior Web Designer**

Maintained and updated all client web sites, designed all client and inhouse web sites, internet advertising.
